

## AMMUNITION CLAUSE

This insurance shall not be prejudiced by reason of ammunition being on board vessels whilst in charge of the insured and/or whilst being repaired by them and/or upon which they are engaged in work and/or in the premises or shops of, or occupied by the Insured.

Notwithstanding, it is expressly agreed that this insurance does not cover any loss, damage, liability, cost or expense arising from destructive tests or the firing of live ammunition.

For the avoidance of doubt the forgoing exclusion shall apply to the whole procedure of firing live ammunition, including the storage and movement of ammunition on board, the arming and loading as well as the actual firing itself.
