

### **CONCEALED DAMAGE CLAUSE**

This policy covers any concealed loss or damage to the goods hereby insured which has been caused by the perils insured, but cannot be found from the external appearance of the original package.

In case where such loss or damage is found upon unpacking the package at the destination named in the Policy, prompt notice shall be given to this company for survey and inquiry to the shipper whether the loss is due to short shipment or not, shall be made, provided that the said unpacking is made within 90 days after discharged from the port of destination. In no case shall this company be liable to pay any loss or damage occurring after expiry of the coverage stated in this Policy.
