

### **FIRE EXTINGUISHING COSTS CLAUSE (1)**

(LIMIT USD \_\_\_\_\_)

The insurance by this policy extends to cover loss of or damage to the fire extinguishing appliances caused by the insured perils.

This extension is deemed to include the reasonable costs of refilling the fire extinguishing appliances providing always that such cost is incurred as a direct result using the fire extinguishing appliances for the extinguishment of fire endangering the safety of the insured property. The insurer will not be liable for the first of each and every loss in respect of the cost of refills.
