

FIRE EXTINGUISHING COSTS CLAUSE (2)

This policy is extended to cover loss of or damage to fire extinguishing appliances caused by the insured perils.

This extension is deemed to include the cost of reasonably incurred for refilling the fire extinguishing appliances providing always that such cost is incurred as a direct result of the use of the fire extinguishing appliances for the extinguishment of fire endangering the safety of the insured property.

The insurer, however, will not be liable for the first of each and every loss in respect of the cost of refill, provided always that the liability of the company in respect of such wages and costs shall be limited to those necessarily and reasonably incurred in extinguishing fires at adjoining premises of the property insured or immediately threatening to involve such property.

The insurance under this endorsement shall be subject to all the terms, limitations, stipulations, exclusions or exceptions and provisions printed on or expressed in or endorsed upon or attaching to the policy.
