

### **FIRE FIGHTING EXPENSES CLAUSE**

It is hereby agreed that in the event of fire or series of fires arising directly or indirectly from the same occurrence following insured perils, including fire threatening to involve the property insured, the Insured shall be entitled to recover:

1. The actual cost of materials used and/or damaged in extinguishing or controlling or attempting to extinguish or control any such fire.
2. The cost of all clothing and/or personal effects damaged and/or lost as a result of such fire and/or fighting, extinguishing or controlling or attempting to fight or extinguish or control such fire unless more specifically insured elsewhere
3. All other actual expenses (including wages and the like paid for fighting, extinguishing or controlling or attempting to fight, extinguish or control such fire and/or localizing such fire)
